

**Patentee: Smith et al.**  
**Patent No.: 6,647,252**

**REMARKS**

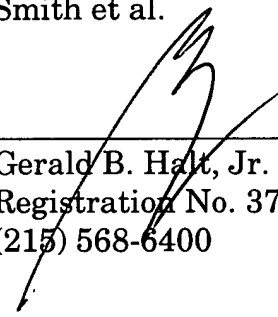

Claim 14 of the originally filed application contained an improper dependency due to a typographical error (it depended from itself). Patentees respectfully submit that claim 14, as filed, was intended to depend from claim 13. This is readily apparent by examining the context of claim 14, and by taking notice that claim 13 includes the required antecedent basis for claim 14.

Patentees believe that the above errors are of such a nature as to justify the issuance of a Certificate of Correction. Patentees have enclosed a completed Certificate of Correction Form PTO/SB/44, in duplicate.

Patentees respectfully request that the Certificate of Correction be issued.

Respectfully submitted,

Smith et al.
